Opening liturgy on 28 & 29 July with the motto “Stand before the Lord.”. Reflecting on the Lord’s Word, sharing of all our fear let not stand before Him. Listening to 8 prophets’ fear and the Lord’s Word for them. Sensing both our personal fear and the fear of the Korean Province. At the same finding our hope.

Nearly half of the whole members attending the assembly on 29 July. We realized the hope for the future of the Congregatio Jesu, attending the several preparatory meetings whole-heartedly in spite of many difficult situations due to their ministry.

Photos where we have met the Lord

Sharing about the Lord we have met. Summarizing & sorting out the burning issues, sharing again, choosing 5 biggest issues & deeper sharing about each issue on 30 July.

Reading CN on the election of the delegates for GC 2020 & prayer to ask the Holy Spirit to open our minds before voting GC delegates in the chapel. All the members were well aware of the importance of the election on 31 July.
