

March 22 – Day of Worldwide Solidarity & Prayer

“Now is the time for each one of us to respond to the worldwide coronavirus crisis by being in solidarity with others, especially with those who are most vulnerable and most at risk.”

Listening to this call of the International Union of Superiors General (UISG), along with all the women religious across the globe, St. Mary’s Community Lucknow, dedicated 22nd March 2020 Sunday, as a Day of Worldwide Solidarity and Prayer to express our concern for those suffering from the corona virus pandemic. The day began with a meaningfully prepared Eucharistic celebration with its theme- ‘The Lord is my Shepherd, There is nothing I shall want’ that invited all of us to pray intensely for all the Covid-19 victims, doctors, nurses, caregivers, public health officials and civic leaders. The hours that followed saw all the community members, in turn praying rosaries and chanting psalms silently, before the Eucharistic Lord present at the altar. During the adoration at the conclusion of the day, with lighted candles around a globe, we entrusted the entire world in a symbolic gesture, at the feet of our savior and prayed earnestly to heal the world. May Jesus, the Master of this universe heal our suffering world!
