

Report of the day of solidarity and prayer - 22nd March 2020

In all the communities of Delhi Province 22nd March was observed as a day of prayer and recollection. In two communities fasting was part of the day. In every chapel Blessed Sacrament was exposed and sisters took turns to pray before the Eucharistic Lord and implore Him to have mercy upon this troubled world. Holy Rosary, Mercy Rosary Chaplet, Jericho Rosary, Stations of the Cross and silent adoration were part of the day. In one community they walked the whole campus with the Blessed Sacrament and prayed for the whole world. May the Lord of Mercy and compassion bless this world and its people. May this pandemic be washed away with His precious Blood.
